

To enhance the education we issue proper aiding material with the title „Booklets of the Presbyters”. Occasionally we issue documents on our conferences as well as a handbook for presbyters containing more important Acts and structure of our Church.

A major tool to keep in touch with fellow presbyters is our periodical „Presbiter” printed yearly 6 times in 3200 copies, 20 pages each. The periodical is being sent to our brothers and sisters living abroad too. Similar objective is pointed by our webside and circular letters informing members of the Association about our activity and greeting them on their birthday.
